

GMB Audit Report

Business Name: Uncle Lal. It is very crucial for better outreach

Category: Restaurant. It is very crucial for better categorization and local search visibility

Rating: 5.0. It is very crucial for building trust and improving local search rankings

Total Reviews: 16. It is very crucial for social proof and ranking signals

Address: 1 & G3, BDA Neighbourhood Market Complex, K8, Plot No: 1107, Kalinganagar, Bhubaneswar, Odisha 751029. It is very crucial for local SEO and map visibility

Website: absent

Impact: A verified website link strengthens your GMB profile's authority and provides additional ranking signals. Missing websites reduce trust and local search visibility.

Phone: absent

Impact: Phone number consistency across platforms (NAP - Name, Address, Phone) is crucial for local SEO. Missing or inconsistent phone numbers can hurt ranking and confuse Google's algorithm.

Establishment Date: absent

Impact: While not a direct ranking factor, establishment date adds credibility and can help in competitive markets. Older businesses may receive slight preference in local rankings.

Description: From Uncle Lal

"Uncle Lal is a multi-cuisine restaurant in Bhubaneswar, serving street-smart Odia fl.... It is very crucial for keyword optimization and user engagement

Products: absent

Impact: Product/service listings help Google understand your offerings and match you to relevant searches. Missing products reduce visibility for specific service-based queries.

Total Updates: absent

Impact: Regular posts and updates signal an active business to Google. Businesses with frequent updates tend to rank higher as they demonstrate engagement and relevance.
